Beverly,

We received the attached written testimony and are likely to enter it into the record. I wanted to give you a heads up about that. We may enter two other documents, but from EPA's public releases. They are the 8/24 EPA internal report and the 6/25/14 Statement of Work from EPA to Environmental Restoration. Both are on EPA's Gold King site.

Happy to talk if you have any questions about the hearing.

Thanks,

Bill
